**NOTES:**

\*One of the 300 or higher level FREN units must be taken at the Tacoma campus during the senior year. Only one of FREN 300 and FREN 310 can apply to the French Language Studies major.

Courses taught in English do not apply to the French Language Studies major. Of the three units of upper division coursework required outside the first major, the Connections course will count for one unless it is used to meet a major requirement. Students must earn a grade of C (2.0) or above in each course taken for a major or minor in the Department of French and Francophone Studies.

#Study abroad must be completed in a French speaking country where French is the language of instruction. Exceptions to the semester study abroad requirement may be made on a case-by-case basis in a petition to the department and in consultation with a department academic advisor. Language-intensive replacements may include a year living in a French theme house, intensive summer study, etc.

##Seniors must work with their advisor in the French and Francophone Studies department to create an ePortfolio about their progress in the curriculum and total experience as a major; to be submitted to the department by April 15 of senior year.

###All French Language Studies majors must submit a senior paper to the department by April 15 of their senior year. Details available on the department homepage.
