Approval of Minutes from 2/25/19

Discussion of the use of students' use personal phone numbers as contact information

- After a short discussion, a majority of members, but not all members, affirmed the policy that students' personal phone numbers must not be used as contact information for their own protection.

Full board review of five protocols

After sufficient discussion of each, the following decisions were made:

- 1819-048: Major modifications needed – cannot approve at this time. Full board needs to see the modifications of this protocol.
- 1819-058: Major modifications needed – cannot approve at this time. Full board needs to see the modifications of this protocol.
- 1819-059: Major modifications needed – cannot approve at this time. Full board needs to see the modifications of this protocol.
- 1819-061: Major modifications needed – cannot approve at this time. Full board needs to see the modifications of this protocol.
- 1819-065: Minor modifications needed – One board member can assess the modifications to make sure all issues have been addressed and then approval can be granted.

Respectfully submitted,

Alexa Tullis
