University Enrichment Committee
February 9 - 12, 2019

Participating: Roger Allen, Renee Houston, Lisa Johnson, Isha Rajbhandari, Tanya Stambuk, Linda Williams, Bianca Wolf

Secretary of the day: Roger Allen

Due to snow-related closures of the university and the fact that the committee had a single faculty release time proposal to consider, an in-person meeting did not take place. Rather, the committee addressed issues of December 5, 2018 approval of minutes and evaluation of the faculty release time proposal via email correspondence.

I. Approval of December 5, 2018 minutes

Minutes from December 5, 2018 were approved.

II. Review of faculty release time proposals

There was one faculty release time proposal submitted for consideration with committee approval by unanimous consensus.

Next Meeting Secretary: Linda Williams

Respectfully submitted,
Roger Allen
