**Puget Sound requires a total of 32 units to graduate**

**NOTES:**

General university degree requirements apply: 1) at least four units of the major must be taken in residence at Puget Sound; 2) students earn a GPA of 2.0 in courses taken for the major; and 3) all courses taken for a major must be taken for graded credit. Refer to the Bulletin for any exceptions.

Students must complete a minimum of the following eight units: GQS 201, 360, and 494; one

Transnational/International/Diasporic/Cross-Cultural course (marked with "T"); one Intersectionality course (marked with an "I") AND at least three electives from the department-approved list (see Bulletin for list of approved courses, including ones with T and I; some courses listed will also satisfy core requirements; courses may be added to the list on a semester-by-semester basis).

\*The Experiential Learning/Public Scholarship milestone requirement can be fulfilled by taking REL 307 OR GQS 498 as one of the three electives, or by participating in another experiential learning opportunity approved by the program director.

\*\*GQS 201 and GQS 360 are prerequisites for GQS 494. No more than three classes at the 200-level may satisfy the major requirements.

A maximum of two courses used to meet the GQS major or minor may also be used to satisfy the requirements of another major or minor.
