

Professional Standards Committee Minutes
April 18, 1997

Present: Bartanen, Block, Breitenbach, Goldstein, Hale, Miller, Taranovski, Sorensen.

New business: Request for code interpretation.

The PSC passed a motion expressing its sense that violations of the Code allegedly committed by a Hearing Board are violations of the evaluation process, and as such are appealable to the Academic and Student Affairs Committee [formerly the Instruction Committee] of the Board of Trustees. A subcommittee of three was appointed to work out the final wording for a Code interpretation expressing this sense of the PSC.

Respectfully submitted,

Kathy Ann Miller
