

# GRANTFORWARD

GrantForward is a funding database that includes **private and federal grants**, **funding history** of foundations/corporations, and a **network of faculty researchers** at other universities. Find grants from:

- American Council of Learned Societies
- National Science Foundation
- National Endowment for the Humanities
- M.J. Murdock Charitable Trust  
and more!

## ACCESS

Faculty, staff, and students can now access GrantForward by logging into the GrantForward site with their Puget Sound login information

[www.grantforward.com/search](http://www.grantforward.com/search)

## ASSISTANCE

If you are have trouble accessing GrantForward or if you have a question, please contact the Office of Corporate and Foundation Relations at:
