## LAND ACKNOWLEDGEMENT

We are located on the traditional homelands of the Puyallup Tribe. The Puyallup people have lived on and stewarded these lands since the beginning of time, and continue to do so today. We recognize that this land acknowledgment is one small step toward true allyship, and we commit to uplifting the voices, experiences, and histories of the Indigenous people of this land and beyond.

The School of Music at University of Puget Sound, situated within a nationally recognized liberal arts university, prepares students to be broad-minded, creative, arts-aware social leaders. We attract highly engaged student musicians and empower them to create the diverse musical offerings and effective educational programs of the future.

From the classroom to the concert hall, we cultivate students' self-expression, cultural competency, and critical engagement. Through a wide variety of public offerings and a vibrant Community Music program, the School of Music enriches the cultural life of both the Puget Sound campus and surrounding communities.

Community Music, a division of the School of Music, welcomes people of all ages and skill levels to participate in music lessons and classes throughout the year.
