GREETINGS FROM EOWYN & KIM

Hi everyone,

We hope you all had an amazing spring break, and are buckling down for the sprint towards the end of the semester! April is a great month for college students to plan things ahead of time, whether it is finals, traveling plans, summer internships & jobs, jobs for next semester etc. Please be aware that there are resources all over the campus for you (ex. CES and CWLT), so don't be shy to drop by their offices! Of course, our office is always open for all of you as well :)
