NOTES:

Students must earn a grade of C- or better in all prerequisite courses and in all courses to count toward the major.

- 1) ECON 101 or permission of instructor is a prerequisite for BUS 310.
- 2) BUS 205, ECON 101, and MATH 160 or 260, are prerequisites for BUS 315.
- 3) Recommend BUS 315 the semester following BUS 205.
- 4) Courses used to satisfy the BUS elective and Senior Research requirements may not also be used to satisfy university core requirements. BUS 300, 316, 344; CONN 387, 390, 478 may not be used to fulfill this requirement.
- 5) Students must complete the foundational courses and have senior standing before taking the senior research seminar. Check course descriptions, as well as semester by semester course offerings, for 400-level BUS classes to determine if they fulfill the Senior Research Seminar requirement. Courses approved: BUS 432, 476, 478, 482, and 485.
- 6) Of the three units of upper division coursework required outside the first major, the Connections course will count for one.
