## Greetings from Allyson & Anna

Hi everyone,

We had a nice dinner at Silk Thai last week and it was a great chance to catch up with everyone. Also, we welcomed and got to know our two new international students Kat and Constanza a little bit better. I hope everyone had a good time and enjoyed the delicious food.

Also, starting next week **International Club** is hosting weekly meetings! So every **Tuesday from 7pm-8pm** at **Wheelock Student Center 201** you will get the chance to share all your international experiences and plan cool events to learn more about the cultures of the world!

See you soon for more events!!

- Anna
