

# INT'L STUDENT & TCK NEWSLETTER

International Programs

University of Puget Sound

## Greetings from Allyson & Anna

Hi everyone,

It is time again for another Newsletter! From now on, all of our international community will receive it. So welcome to all TCK students. In this newsletter we will inform you about fun upcoming events you are welcomed to join with the rest of the international students.

Thanks to everyone who dropped by at the pumpkin carving. We had a lot of fun last week listening to Halloween songs, catching up with our fellow international students and I-Connect partners, eating pizza, and well, carving! We had some really fancy carved pumpkins!

I hope the semester is going good so far and you are enjoying your experience at Puget Sound.

See you soon!!

- Anna

# Upcoming Event:

## Thanksgiving Dinner

Thanksgiving is a great holiday to reunite with the family and give thanks for what we have. Unfortunately for most of the int'l students it is difficult to visit home on such a short break. So we thought, why not throw our own **International Family Thanksgiving Dinner?!?!?**

We will meet on **Thursday, November 20th** at 5:00pm in front of Howarth Hall to go to Allyson's house. Allyson and Roy will take care of the food, so you just have to **come and enjoy!**

I hope to meet or see again the rest of you there. It would be nice to share our experiences so far at Puget Sound and maybe the international upper classmen have some stories or advice to pass on?!

Also, contact **your I-Connect partner!** They sure want to know how you are doing. Thanksgiving Dinner will be a great opportunity to meet them again catch up!!

## Travel Signature Day

If you are leaving the U.S. during winter break it is **very important** that your **I-20** form has the travel signature (3rd page at the bottom). The signature is only **valid for one year**, so maybe even if you had already signed it once, you need a new one. This signature is mandatory to get back into the country. Allyson will remind you about the travel signature day to make sure everyone has it. But you can come anytime to get yours!!
